Oasisplay runs a Children's Nature Garden, a youth led go-karting project – Right Track Project and two Adventure Playgrounds. All projects are open access and available for local children to attend after school, on Saturdays and during the school holidays. At all of our sites we provide specialist services for children with disabilities.

In addition we run activity sessions for schools, youth groups, private groups and other agencies.

Each of the four projects has a team of experienced play and youth workers who ensure that all children and young people are able to make the most of the amazing opportunities and experiences that are available on each site.

Oasisplay is managed by a voluntary management committee and funded by the London Borough of Lambeth, The National Lottery Community Fund, BBC Children in Need, The Walcot Foundation, City Bridge Trust and The Heritage Fund.
