

## ADVENTURE PLAYGROUND PARTY HIRE FAQ

### 1. What time can I arrive at the playground?

We have found that it works best if you arrive around 4:00 pm, which will give you some time to set up before your guests arrive.

### 2. What food storage spaces do you have available?

There is a fully fitted Kitchen which you will be able to have use of, with microwave, hob and (not the greatest) oven. But there is a small single shelf counter oven!

You have a fridge with limited space for cake and cold drinks.

There is a sink, but next to the big fridge, we have a filtered water unit (warm temperature and cold).

### 3. How many toilets?

Just off the kitchen is a single toilet, which we usually direct the hosts to use for their party, as we do have 3 separate additional toilets, but we think you would prefer not to end up cleaning multiple toilets at the end of your party. It is also an accessible toilet.

### 4. Do you have a hall we can use?

There is a hall for your use, but if the weather is great, people tend to set up outside or on the veranda.

### 5. What time is the party scheduled for?

The party time is scheduled for 4:30 pm, and your guests would have left the site no later than 6:30 pm.

### 6. When is the best time to serve the cake?

To make things easier, I suggest serving cake around 6 pm and giving out party bags to your guests at around 6:15 pm.

This way, your guests will start making their way off the site as a natural progression, and you will have ample time to clean up before the staff member locks up and leaves at 7 pm.

I hope this schedule works for you, and if you have any questions or concerns, please don't hesitate to contact us. Thank you for choosing our site for your party, and we look forward to hosting your event.
